10 TEAMS START 44TH IHL SEASON INDIANAPOLIS BEGINS PLAY

86-87 X
On October 7, 1988 Indianapolis will again join 9 other IHL teams in taking to the ice for the start of the 44th consecutive IHL season. Indianapolis will join the West Division of the IHL which will also include the defending Turner Cup champion Salt Lake Golden Eagles, the Colorado Rangers, the Milwaukee Admirals, and the Peoria Rivermen. Indianapolis, under the new ownership of Chicago businessman Horn Chen, will play on the Indiana State Fairground Coliseum ice surface.

East Division IHL teams will be the Flint Spirits, the Fort Wayne Komets, the Kalamazoo Wings, the Muskegon Lumberjacks, and the Saginaw Hawks.

FLINT SPIRITS COACH RICK DUDLEY NAMED IHL COACH OF THE YEAR

By vote of the Board of Governors at the IHL annual meeting in Montreal, Rick Dudley of the Flint Spirits was named winner of the Commissioners Trophy as "IHL Coach of the Year" for the 1987/88 IHL season. Dudley molded his unaffiliated team into a powerful club and led them to the final round of the Turner Cup playoffs before falling to the defending champions, the Salt Lake Golden Eagles, in 6 games. Dudley's team featured the IHL's all-time leading scorer, rookie John Cullen, and set a new league record for power-play goals.

SALT LAKE GOLDEN EAGLES GENERAL MANAGER MARC AMICONE REPEATS AS EXECUTIVE OF THE YEAR

Voting in Montreal at the IHL annual meeting, the IHL Board of Governors named Marc Amicone of the Salt Lake Golden Eagles winner of the Andy Mulligan Award as "IHL Executive of the Year" for the 1987/88 IHL season. Under Amicone's inspired guidance the Golden Eagles again led the IHL in attendance and repeated as Turner Cup Champions for the 2nd consecutive year.

NEWS RELEASE

IHL OFFICERS NAMED FOR 1988/89

The IHL Board of Governors has named the league officers for the 1988/89 season as follows:

John Snider	Chairman of the Board of Governors
Harold Hansen	Vice-Chairman of the Board of Governors
N.R. Poile	President & Commissioner of the IHL
R.T. Parfet	Secretary/Treasurer of the Board of Governors

Mike Meyers will return for his 5th season as Director of Information for the IHL with N. Thomas Berry returning for his 3rd season as Director of Officiating for the IHL. IHL headquarters will remain in Indianapolis for the 1988/89 season.

ALL-STAR CHALLENGE ISSUED TO THE AHL BY COMMISSIONER POILE

IHL Commissioner N.R. "Bud" Poile has issued a challenge to American Hockey League Commissioner Jack Butterfield for an All-Star game between the IHL and the AHL. Proposed is a 2-game All-Star series with one game to be played in January of 1989 and the second game to be played in January of 1990. One of the two games would be played in Fort Wayne, Indiana, senior team in the IHL with the other game being played in Hershey, Pennsylvania, senior team in the AHL. The games would be played in a "winner take all" format.

TEAM CANADA MAY PLAY IHL TEAMS

A strong possibility exists that fans may see Team Canada playing against IHL teams during the 1988/89 season. It has been proposed that Team Canada play a 10 game series in the IHL, playing each of the IHL teams once with the game counting in the IHL standings. Negotiations are still progressing between IHL Commissioner Bud Poile and Team Canada General Manager/Head coach Dave King.

IHL TEAM ROSTERS EXPANDED

The IHL Board of Governors, at their annual meeting, voted to allow IHL clubs to carry an unlimited number of players on their roster until March 14, 1989 when teams would be required to submit a playoff roster containing 26 names. Only 16 skaters and 2 goaltenders will be allowed to dress for any game.

OVERTIME AND SHOOTOUT REMAIN UNCHANGED

The existing 5 minute sudden-death overtime period and shootout period will return for the 1988/89 season. The shootout will remain in the same format as last season with 5 shooters from each team participating in the 1st shootout period before progressing to a sudden-death shootout format if needed.

A SHORTHANDED WAY TO WIN

The shorthanded goal continues to have a major impact in IHL contests this year as the Kalamazoo Wings conected on 3 as they defeated the Flint Spirits 6-4. Two games later the Spirits turned the tables, using a shorthanded goal to beat the Fort Wayne Komets 2-1. 2 shorthanded goals also made the difference as the Milwaukee Admirals defeated the Muskegon Lumberjacks 8-6. Teams scored 10 shorthanded goals during the 15 games this week.

Big scorers were also the rule this week as Yves Heroux of Flint scored 5 goals with assist versus Salt Lake, Darren Turcotte of Denver scored 4 goals along with 2 assists versus Peoria and Cliff Ronning scored 3 goals with 2 assist versus Denver.

3 TEAMS BATTLE FOR EAST LEAD

The Muskegon Lumberjacks, the Saginaw Hawks, and the Kalamazoo Wings continue to battle for the East Division lead with only 2 points separating the three teams. Muskegon won 3 games for a 3-0-0 week with Saginaw playing to a 2-1-0 week and Kalamazoo a 2-2-0 week.

Muskegon goaltender Bruce Racine visited Peoria last week and recorded his 1st IHL shutout, an event which helped make him the leading goaltender in the IHL with a 2.86 goals against average. Hat tricks for the week go to Theoren Fleury of Salt Lake with a 4 goal game and to Michel Mongeau of Flint.

KALAMAZOO WINGS INTO 1ST

The Kalamazoo Wings, with strong play from goaltenders Larry Dyck and Jarmo Myllys, polished off 3 opponents this week and climbed into 1st place in the East Division. In the West Division the Milwaukee Admirals continue to roll, winning all 3 of their games this week. The Denver Rangers didn't lose any ground though as they posted a 3-0-1 week for 7 points.

Hat tricks for the week go to Todd Elik of Denver, Paul Lawless of Milwaukee with a 4 goal game, and to Sean Williams of Saginaw.

KOMETES STAR RISING

The Fort Wayne Komets, playing both their games against Eastern Division competition, gain 3 of a possible 4 points during a light week of IHL action. The Komets gained little ground though as the Muskegon Lumberjacks beat both their opponents, earning all 4 points for the week. In the West Division the league leading Milwaukee Admirals split a pair of 1 goal games at home while the Peoria Rivermen won their only game of the week.

Jeff Rohlicek of the Milwaukee Admirals scored the only hat trick of the week versus the Saginaw Hawks.

MILWAUKEE CONTINUES AS LEAGUE LEADER

The Milwaukee Admirals approach the midpoint of the 1988/89 IHL season in the same position they ended the 1st week of the season; leading the league. The Admirals, currently on a 4-game winning streak, have led the league since the 1st game of the season. The Fort Wayne Komets are charging up the rankings after a slow start, winning their last 6 games.

Perry Gancher of Muskegon set a minor professional hockey record last week scoring the first 3 goals of the game in a 33 second time span starting at 2:14 of the 1st period in a game at Muskegon versus the Denver Rangers. Darren Turcotte of Denver and Ron Handy of Indianapolis also scored the hat trick last week.

Milwaukee led the way with an attendance of 7465 followed by Salt Lake (6384) and Indianapolis (3953). Overall league attendance for the month was 207,129 in 52 games for an average of 3983.

Saginaw continued their winning ways with their 8th win in a row and 9th in their 10 January games. Shutouts this week to Rick Knickle of Fort Wayne and to Steve Guenette of Salt Lake.

SAGINAW STREAK STOPPED AT 13 GAMES

The Milwaukee Admirals only played 2 games this week, but they were both big games. They first had to play the Saginaw Hawks who entered Milwaukee with a 13 game winning streak. Jeff Rohlicek scored the last 5 goals of the game for the Admirals and they defeated the Hawks by a 7-3 margin. Next the Admirals had to play the Muskegon Lumberjacks for a share of the league lead. With goaltender Bruce Racine of Muskegon on recall to Pittsburgh, the Admirals won 6-3. Brent Sapergia of Indianapolis also scored a hat trick this week.

LOTS OF GAMES - LOTS OF GOALS

The past week featured an intensive week for IHL teams with 20 games being played. Those games featured some high powered offense as 186 goals were scored, an average of over 9 goals a game. Highlights of the week also saw Adam Keller named the General Manager of the new Phoenix Roadrunners franchise and Reggie Thomas named as interim coach in Indianapolis as Archie Henderson recovers from surgery.

Hat tricks this week to Dave Lowry and Peter Douris of Peoria, Dave McLlwin of Muskegon, Darren Turcotte of Denver, and Jay Mazur of Milwaukee. Pat Jablonski of Peoria gets a shutout.

SALT LAKE CHALLENGES FOR WEST DIVISION LEAD

With 2 victories in their 3 games the Salt Lake Golden Eagles have closed to within 2 points of the West Division leading Milwaukee Admirals. The Admirals lost ground to the Golden Eagles even as their goaltender Frank Caprice shutout the Saginaw Hawks before a sellout crowd of 17,845 fans, a new league record

The Fort Wayne Komets moved to within 4 points of the Saginaw Hawks in the race for 2nd in the East Division and 4th overall. Simon Wheeldon scored 3 powerplay goals this week to extend his lead in that category to 19.

SALT LAKE SETS CONSECUTIVE WIN RECORD

The Salt Lake Golden Eagles, winners of 3 games this week, set a new IHL record for consecutive wins with 15 in a row as they battle the Muskegon Lumberjacks and the Milwaukee Admirals for 1st place overall in the IHL. Other races in the IHL pit the Saginaw Hawks and the Fort Wayne Komets in a battle for 4th place and home ice advantage while the Denver Rangers and the Peoria Rivermen battle for 7th position. The Indianapolis Ice and the Flint Spirits, though eliminated from the playoffs, continue to fight for 9th place overall.

Hat tricks to Paul Ranheim (SLC), Bill Watson (SAG), and to Brad McCaughey (PEO). Bruce Racine (MUS) had a shutout.

MUSKEGON WINS TURNER CUP IN 5 GAMES
MICHAYLUK PLAYOFF MVP

The Muskegon Lumberjacks continued to roll over their competition as they've done the entire season, winning the 1988/89 Turner Cup in 5 games over the Salt Lake Golden Eagles. IHL Commissioner N.R. "Bud" Poile commented that the Lumberjacks were the best balanced team he has seen in his 6 year tenure in the IHL, both during the playoffs and during the regular season. The Lumberjacks won the last 2 games of the series in Salt Lake where the Golden Eagles were only defeated 7 times (34-4-3) during the regular season.

Lumberjacks star left wing Dave Michayluk continued in the playoffs where he stopped at the end of the regular season with 9 goals and 12 assists for 21 points to lead the playoff scoring and was named the Turner Cup Playoff Most Valuable Player in the process. Michayluk led all scorers during the regular season and was named Most Valuable Player during the regular season also. Michayluk scored the Turner Cup winning goal for the Lumberjacks on Friday night. His goal was shorthanded with only 20 seconds remaining in regulation time. Lumberjacks center Dave McLlwain scored a hat trick during the final game also.
